I request the Government may be pleased to sanction the proposal of the Taluk Board.

2. Madeswaranmalai is included in the list of unhealthy localities - vide rule 10 of the Madras Manual of Special and Allowances - Part I. Madeswaranmalai is in Ramapur firka of the Kollegal Taluk.

3. The forest range officer, Gowdalli, his clerk and establishment are all in receipt of the special pay as per rule of the Manual of Special Pay and allowances Part I.

4. The other unhealthy localities in the Taluk are those referred to in rule 10 of the Manual of special pay and allowances Part I. But Muthur, Bailur, Saggiam, Kurubathi Mosur and Parasagoundappalayam were treated as unhealthy localities by the Taluk Board, Kollegal, and a special pay of Rs.10 per mensem was paid to teachers in those localities.

5. It was the intention of the President, Taluk Board to pay the allowance of Rs.10/- per mensem to the teacher or teachers employed in the school who are not natives of the place.

6. There is only one teacher in the Madeswaranmalai Board Elementary School. He is a Lower Elementary L.T.C.holder. The scale of pay for teachers of Lower Elementary grade in the Kollegal Taluk is Rs.20-2(2)-24-1-28. The teacher in Madeswaranmalai is drawing Rs.20 per mensem. The school has only I standard having 27 boys and 8 girls.

7. The teacher was paid a special pay of Rs.5 per mensem only. He applied for increase of the special pay to Rs.10/- in view of the unhealthiness and costliness of the locality. The Taluk Board, Kollegal finding the request reasonable has applied for necessary sanction.

8. The teacher now employed in the school at Madeswaranmalai does not belong to the place. He is a native of Vannar in Singanallur Firka which is included in the list of unhealthy localities referred to in rule 10 of the Manual of Special Pay and Allowances, Part I. But the Taluk Board, Kollegal for its administrative purposes, recognised, Muthur, Kurubathi Mosur, Bailur, Saggiam and Parasagoundappalayam as unhealthy localities.

localities for purposes of hill allowance of Rs.5 per mensem-vide copy of Taluk Board resolution No.213 dated 10-12-29- enclosed herewith. Madeswaranmalai is not only an unhealthy place, but also expensive as it is in a remote corner of the Taluk.

9. There are no trained teachers who are natives of the unhealthy localities as declared by the Taluk Board,Kollegal.

10. In view of the expensive nature of the locality and als on account of its being unhealthily situated as it is on the hills at an elevation of over 3000 feet above sea level, the grant of special pay of Rs.10/- per mensem is needed to induce the teachers to continue in the school.
